Additional Scoring Opportunities & Regulations:

Add two (2) bonus points if horse is driven as both single and team in any combination of the above listed driving activities.

**If shown in two (2) or more categories in any one show (e.g. english and western and driving and in-hand), add two (2) bonus points per additional category.*

*** Because non-competitive activities are not organized, public activities, the activity is very difficult to verify; **points for non-competitive activities may be applied only once per year.***

A separate point recording form is required for each horse registered in the versatility program; feel free to copy the point recording form (on the reverse), contact our secretary for copies, or download additional copies from our website: www.canadianhorseatlantic.ca
