Stabling is available but we must know by Sept 1st. how many stalls are required as some stalls are temporary & must be assembled. Our site has a 62 x 110 indoor Tarp Rite arena ideal for smaller classes and for putting horses to their carts prior to showing in the outdoor arena. We also have a 50 ft. round pen and ample field space for warm up.

There will be lots of space for trailer and passenger vehicles on site.

Please be courteous and leave the grounds the way you found them. We ask you to tidy up your stalls before you leave. Hay and bedding is included in stall price.
